About Us

We at Yuvraj Overseas Pvt. Ltd. have been serving and supporting the Indian industries with utmost integrity, loyalty & professionalism since 1993. By serving as a manufacturer, we have been bringing latest quality standards of Brass Hydraulic Hose Fittings for the customers all across the nation. Our ultimate vision has always remained to contribute to the respective sector of engineering by continuously providing premium quality of products to the customers that can potentially enhance their quality of products, systems or equipment. For this, we have been pursuing our mission of achieving highest quality standards in manufacturing, delivering extra-ordinary business experience to the clients and setting new benchmarks in the industry with the passage of time. Our widely popular product portfolio encompasses Threaded Hex Nipple, Brass Bush Fitting, Grease Fitting, Precision Brass Fitting, Brass Hydraulic Hose Fitting, Brass Male Nipple, Hex Nipple and many other items.

To maintain utmost quality control in the designing & development of aforementioned products, we have been following stringent quality management policies. Our QC experts follow these policies to keep the quality of our overall production, testing, packaging and storage of products at the finest. When it comes to quality maintenance, we never keep ourselves limited to products only. We always make sure that the services provided from our end fulfills the desired requirements & expectations of customers too in terms of timing, transparency, effective communication and more. With all this, we have sustained our position in the industry for decades.

Working since 1993, we at Yuvraj Overseas Pvt. Ltd. have been upholding a premier spot in the Indian industry by providing top quality of Brass Hydraulic Hose Fittings. Our company has been engaged in the designing and development of latest quality of products as per DIN, SAE & other international standards. Through our large production capacity, we have maintained a smooth supply of products including Hex Nipple, Threaded Hex Nipple, Brass Bush Fitting, Brass Male Nipple, Brass Hydraulic Hose Fitting, Precision Brass Fitting, Grease Fitting, etc., in the marketplace. Based in Ludhiana (Punjab), we have maintained our strong presence in various parts of the country.
